eLIAH TECHNOLOGY

e-learning by element k

The Element K Courses are available in libraries from Centralian. The libraries range from all-inclusive packages, such as IT Comprehensive, to smaller mini libraries, such as Office Gold Productivity. A complete listing of the courses included in each library can be found at http://www.elementk.com/corp/catalog.html. Each library shows individual prices. These courses prepare the student for certification exams. Prices do not include the costs of certified examinations. Available in 1-3 year Subscriptions.
